EDUCATION

2022 –2026

B.Tech.,(AI&DS),
ARUNAI ENGINEERING COLLEGE,
CGPA : 8.8 / 10

KEY SKILLS

- ☑ Data Analytics
- ☑ Artificial Intelligence
- ☑ HTML
- ☑ CSS
- ☑ Python
- ☑ Power BI

LANGUAGE

English
Tamil

REFERENCE

Mr.S.NoorulHassan,
Head of the Department(AI&DS),
Arunai Engineering College,
Ph,No : +91 9994699124

PROFILE

AI & Data Science enthusiast with hands-on ML/DL training from Intel Unnati Labs. Skilled in Python, Power BI, data analytics, and full-stack web development. Certified in AI, Generative AI, and Cybersecurity from IBM, Infosys, and Great Learning. Passionate about solving real-world problems with data-driven solutions.

EXPERIENCE

1. **Intel Unnati Industrial Training Program(July 25 to August 28,2024)**
   - Completed **ML & Deep Learning training** at **CIIC Intel Unnati Labs** with hands-on experience in **data preprocessing, model building, and neural networks**. Applied AI techniques to real-world problems and explored deep learning frameworks for predictive analytics.

2. **Cognifyz Technologies(May – June 2025)**
   - Interned in **Power BI domain**. Learned **data visualization, dashboard design, and business intelligence principles. Created analytical dashboards** to derive insights from business datasets.

CERTIFICATES

- Certificate in Introductionto AI by **IBM**@Coursera [28 sep '24]
- Certificate in Generative AI by **Intel**@CIIC,Vandalur [18 Feb'25]
- Certicate in Data Science Foundations @ **Great Learning**[Mar'25]
- Certificate in Introduction to OpenAI GPT Models@**Infosys Spring board**[29 Jan'25]
- Certificate in AI-First Software Engineering @ **Infosys Spring board**[30 Jan'25]
- Certificate in Certified Cybersecurity Profestional **@Hebesec technologies** [04 Mar'24]
